

POST-SUMMIT INTERACTIVE

'INHERITING THE MANTLE OF CHANGE LEADERSHIP'

By

A.S.Vasudevan, CEO of Wisdom consulting India

Why this interactive

India Inc is discovering new strengths about its capabilities and potential to influence and manage change. The need to share experiences through story telling and appreciative inquiry compels the context.

For whom

To all those excited with change and the changing global scene of opportunities
- Consultants/CEOs/Academicians/and Psychologists

Objective of the interactive

- To take hard look of what it takes to change the fortunes of Organizations.
- To share knowledge from experience and research of what is behind transforming an Organization and
- To discover models that can impact change through leadership initiatives

Basic premise

- 'Self' is the instrument that dreams and drives peer groups to run beyond horizons.
- 'Personal power' fuels leadership engine to wade through white water rapids of chaos.
- When we discover our stamina to influence change, it grows exponentially.

Question: Is there a mysterious link between the cultural and familial anchors of 'change leadership'?

Fee: Rs. 9000/- (Only for the workshop)
